NAC 561 Billing and collection of fees. (NRS 561.153)

1. If the Department provides a method for on line registration, renewal, filing, reporting, payment of fees or any other services, the Director may require that any transaction that can be accomplished on line, must be done using the on line system. The Director may specify the methods of payment accepted through an on line system. The payment methods may include, but are not limited to, credit cards, e-checks, paper checks or any other form of payment authorized by the Director.
2. The Director may, at his/her discretion, waive the requirements of this section.
